cities

Hindustan is an established leader in specialized services. The company is propelled by 2000+ strong workforce with an ethos of 'customer first' attitude to provide customized solutions with cost effective measure.

The professionalism & sustained directional efforts have made us the leader in specialized services for many years and would like to maintain it with continued customer support through service excellency. Going forward, Hindustan would like to extend its geographical footprints across India; innovate solutions to the growing manpower challenges, replace manpower with advanced mechanized cleaning systems, infuse better talent & will always endeavor for best practices for better working environment.

OUR GROUP

the complete solutions for
INTEGRATED FACILITY MANAGEMENT

Incorporated in 2002, CLR Group of companies is one of India's rapidly growing Integrated Facility Management company, with a presence in 80+ cities. The aggressive leadership of Pathak brothers backed by the passion of 12,350+ work force, CLR has successfully demonstrated that an Indian company can provide world class services parallel to any other international players. The customization in services, transparency, technological support & legal / statutory compliance are the premise for our 500+ satisfied clients.

During the process of our growth, we have acquired brands like DK Hospitality, Right Resources, & Hindustan Facilities, which has complemented their domain expertise with CLR group. The vision is to cater to all facets of Facility Management and beyond, with a philosophy to provide clean environment with best industry practices, health & safety & eco-friendly methods.
